

# Sam Slipper

(Music/Lyrics Mike Hayes - 1988)

Me oh My he's only got one eye  
And the girls go crazy when he walks by.  
He's oh so handsome and he's oh so hip  
Sam Slipper is the skipper on a rock'n'roll ship

Oh well he rocks back and forward on those dancing waves  
And everyone is groovin' to the sounds he plays.  
Come on people listen to my tip  
Sam Slipper is the skipper on a rock'n'roll ship

Sam Slipper  
Sam Slipper is the skipper on a rock'n'roll ship

He's an early starter rockin' through the night  
He will never, never, never, ever get uptight  
He's the man the who always lets it rip  
Sam Slipper is the skipper on a rock'n'roll ship

Me oh my he's only got one eye  
And the girls go crazy when he goes by.  
He's the man the pluggers want to grip  
Sam Slipper is the skipper on a rock'n'roll ship
